

# Advance Your Career in a Tough Job Market.

Invest in yourself. Take advantage of the Autodesk Assistance Program. This fast-track training and certification program is designed to help you develop 3D design technology skills, broaden your knowledge, and make you stand out to potential employers. If you are a displaced employee or a military veteran, this program offers the following benefits:

- **Free<sup>1</sup> Software Licenses:** Student licenses of over 25 Autodesk® products, including AutoCAD® software and other industry-focused products supporting Building Information Modeling and Digital Prototyping technology.
- **Free Online Training:** On-demand training available 24 hours a day, 7 days a week.
- **Reduced-Cost Classroom Training:** Many Autodesk Authorized Value Added Resellers and Autodesk Training Center (ATC®) partners are offering discounted classroom training.<sup>2</sup>
- **Certification:** Certification preparation and exams are available at discounted rates.<sup>2</sup>
- **Software Discounts:** Commercial product discounts are available for select products exclusively for Autodesk Assistance Program members, or employers that hire them. Contact your local Autodesk Authorized Value Added Reseller for details.

In tough times like these, investing in yourself is a smart way to keep your career on track. Get started with the help of the Autodesk Assistance Program at [www.autodesk.com/assistance](http://www.autodesk.com/assistance).
